GRADUATE WORKERS OF
COLUMBIA-GWC, UAW
Petitioner

ORDER

The Petitioner's Request for Review and the Employer's Conditional Request for Review of the Regional Director's Supplemental Decision and Order Dismissing Petition are granted as they raise substantial issues warranting review. The Board intends to issue a subsequent notice establishing a schedule for the filing of briefs on review and inviting *amicus* briefs, to afford the parties and interested *amici* the opportunity to address issues raised in this case. That notice will supersede the otherwise applicable provisions of Section 102.67(g) of the Board's Rules and Regulations regarding the deadline for filing briefs.

Member Miscimarra, concurring in part and dissenting in part.

For the reasons I expressed in *The New School*, 02-RC-143009 (October 21, 2015) (Member Miscimarra, dissenting from grant of review), I would deny the Petitioner's Request for Review seeking reconsideration of *Brown University*, 342 NLRB 483 (2004). However, because a Board majority grants the Petitioner's Request for Review, I concur with my colleagues' decision to grant the Conditional Request for Review.
